

# Who Will Buy Health Insurance in the State's New Marketplace?

Later this year, thousands of Coloradans will begin buying health insurance through Connect for Health Colorado. This report uses data from the 2011 Colorado Health Access Survey (CHAS) to get a better view of these uninsured adults eligible for subsidies – those most likely to buy health insurance through the new marketplace.

## WHO WILL BE ELIGIBLE?

### Race/Ethnicity

White/non-Hispanic

**67%**

Hispanic

**24%**

Black/non-Hispanic
