AGENDA

1. Welcome, Introductions, Review of Agenda and Objectives
Anna Vigran, Senior Analyst and Communications Specialist, Colorado Health Institute
Jeff Bontrager, Director of Research on Coverage and Access, Colorado Health Institute
2. Presentation: What the Latest Data Tell Us About Oral Health in Medicaid
Sara Schmitt, Director of Community Health Policy, Colorado Health Institute
Hannah Wear, Research Analyst, Colorado Health Institute
3. Facilitated Discussion
 - How does oral health fit into the ACC's medical home and care coordination models?
 - What have been the challenges — and promising solutions — to incorporate oral health into the ACC?

Jeff Bontrager will facilitate this discussion. Invited guests — including representatives of the Regional Care Collaborative Organizations (RCCOs), the Colorado Department of Health Care Policy and Financing (HCPF), philanthropic organizations, advocates and researchers — will share their reactions and insights. A discussion open to all SNAC Lab participants will follow.

4. Interactive Debriefing
SNAC Lab Participants
5. Wrap-Up, Conclusions and Adjourn

Learning Lab Objectives:

- Leverage the collective focus of a wide variety of stakeholders on the health needs of vulnerable Coloradans.
- Provide a forum to identify innovative approaches, promising practices, challenges and lessons learned.
- Provide SNAC Lab participants, as well as the wider safety net community, with the latest strategies for using data to measure the effectiveness of various models.
- Synthesize input from the SNAC Labs and develop a shared body of knowledge for state health policy leaders, future initiatives and other states about timely and important issues facing Colorado's health care safety net.
