

2015 Legislative Learning Series

Please Join Us

The Colorado Health Institute team hopes that you can join us for our 2015 Legislative Learning Series. These popular educational events have helped lawmakers over the years develop a deeper understanding of issues surrounding health care policy. This year, we are offering three lunches and a breakfast at the Capitol.

As a reminder, CHI is a nonprofit and nonpartisan health policy research institute that provides analytical support for decision makers on both sides of the aisle.

Legislative Learning Events

Thursday, February 5
11:30 a.m.

Old Supreme Court Chambers

2015 Colorado Health Report Card Briefing

Be the first to view the 2015 Colorado Health Report Card and learn about the work being done to make Colorado a straight-A state when it comes to health. Presented with the Colorado Health Foundation.

Wednesday, February 18
12:00 p.m.

Senate Committee Room 356

The Promise of Health Care Integration: SIM, Scope of Practice and Shaping the Future

Integrating behavioral and primary care is top of mind for health care leaders across Colorado. We will delve into Colorado's \$65 million State Innovation Model (SIM) grant, discuss scope of practice issues and detail legislative options.

Wednesday, March 4
7:30 a.m.

Senate Committee Room 356

Waiving Good-bye: Can Colorado Really Rewrite Federal Health Care Laws?

Learn what so-called "1332 innovation waivers" could mean for tailoring health reform in Colorado, along with updates on efforts to provide better long-term services and supports to the state's seniors and other Medicaid innovations.

Wednesday, March 18
12:00 p.m.

Old Supreme Court Chambers

The Health Care Halftime Report: Controversies, Collaborations and What's Ahead

Get an up-to-the-minute analysis of the legislature's health care policy decisions, CHI's view of the work remaining and our analysis of the implications for Colorado.

Note that staff are welcome to join and locations are subject to change. Please contact **Allie Morgan** at 720.382.7083 or morgana@coloradohealthinstitute.org with any questions. We look forward to serving you during the session.
