Leading Through the Divide

Minding the Gaps of Health and Health Policy

Michele Lueck President and CEO, Colorado Health Institute

DECEMBER 7, 2017
Divides We See Heading Into 2018

1. The Haves and Have-Nots
2. Innovation and Policy
3. Health Care and Health Outcomes
4. Private Sector and Public Sector
5. Ds and Rs
1. The Haves and Have-Nots
And Colorado’s New Rate Is . . .

- 2009: 13.5%
- 2011: 15.8%
- 2013: 14.3%
- 2015: 6.7%
- 2017: 6.5%
2. Innovation and Policy
Regulation Lags Innovation

Recent legislation about innovation

- Freestanding EDs
- Micro-Hospitals
- E-Consults
- Direct Primary Care
United to give Apple Watches to enrollees
"The collective data stream from our [FitBit] devices amounts to by far the largest and most comprehensive observational health trial ever conducted. We have the data; now we just need to figure out what it means."
3. Health Care and Health Outcomes
Summit County: A Colorado Paradox?

WHAT to do in
SUMMIT COUNTY COLORADO
The Healthiest State In The Country Has Some Of The Steepest Premiums
