

**2019 Session: Colorado Health Institute Bill Tracking List**  
 Final Version

House bills are listed first (in order of introduction) and are followed by Senate bills.

Each bill title is linked to its page on the General Assembly’s website – click to access.

Status options: [Gov. Signed](#), [Referred Measure](#), [Failed in Committee](#), [Laid Over/No Action](#), [Gov. Veto\\*](#)

The 2019 session featured 123 fewer bills than the prior session, but a markedly higher success rate.

- Total bills tracked by CHI during 2019 session: **138** (86 House bills and 52 Senate bills)
- Success rate for health bills tracked by CHI: **80 percent** (111 bills passed out of 138 tracked)
- Success rate for all bills introduced in 2019 session: **77 percent** (460 passed out of 598 introduced)

*\* Gov. Polis vetoed 5 bills this year, none of which were on CHI’s tracking list. No bills became law without a signature.*
