University of Colorado Hospital

-UCHealth hosts free [weekly breastfeeding support groups](#) at facilities along the Front Range.

-Individual lactation consultations by appointment.

Free breastfeeding consults for moms enrolled on the [Denver Health WIC program](#), call 303-602-6434 to schedule an appointment.

To be eligible for the Denver WIC program, you must be:

- Pregnant, breastfeeding (up to one year after the delivery of baby) or a postpartum woman (up to six months after the delivery of baby), or an infant or child up to 5 years of age.
- Income-eligible

WIC offers breastfeeding support including free breastfeeding education, free lactation consults, and free breast pumps in addition to food assistance. To inquire about a pump, call 303-602-9444.

Breastfeeding phone and text support available through WIC Breastfeeding Peer Counseling. A WIC peer counselor is a WIC mother just like you who has breastfed her own baby and done some additional training in breastfeeding. Call 303-602-5680 to get connected with a WIC Breastfeeding Peer Counselor.
