Learning Lab Objectives:

- Leverage the collective focus of a wide variety of stakeholders on the health needs of vulnerable Coloradans.
- Provide a forum to identify innovative approaches, promising practices, challenges and lessons learned.
- Provide SNAC Lab participants, as well as the wider safety net community, with the latest strategies for using data to measure the effectiveness of various models.
- Synthesize input from the SNAC Labs and develop a shared body of knowledge for state health policy leaders, future initiatives and other states about timely and important issues facing Colorado's health care safety net.
