AGENDA

1. Welcome, Introductions, Review of Agenda and Objectives
   Jeff Bontrager, Director of Research on Coverage and Access, Colorado Health Institute

2. Recap and Refresh: The MME Program and What Colorado Is Trying To Do

   - Overview of Colorado's Proposal
   - Measuring Quality and Evaluating Success
   - Early News from the Program

   Tasia Sinn, Senior Analyst, Colorado Health Institute

3. Your Turn: Hearing from You

   - What strategies are you using to ensure all MMEs receive appropriate care coordination?
   - How do you expect the care coordination model for MMEs to differ from current ACC enrollees (adults and kids)?
   - How are you are partnering with providers and community organizations?
   - What do you see as the greatest opportunities and challenges in bringing a new population to the ACC?

   Facilitated Discussion with the Colorado Department of Health Care Policy and Financing, Regional Care Collaborative Organizations (RCCOs), Consumer and Provider Representatives (Invited) and SNAC Participants

4. Wrap-Up, Conclusions and Adjourn
   Jeff Bontrager, Colorado Health Institute

Learning Lab Objectives:

- Leverage the collective focus on vulnerable Coloradans among a wide variety of stakeholders.
- Provide a forum to identify innovative approaches, promising practices, challenges and lessons learned.
- Provide SNAC Lab participants, as well as the wider safety net community, with the latest strategies for using data to measure the effectiveness of various models.
- Synthesize input from the SNAC Labs and develop a shared body of knowledge for state health policy leaders, future initiatives, and other states about timely and important issues facing Colorado's health care safety net.
